

Tuesday 4th October 4, 2016

I am in agreement with Ann Pratt putting my name forward for a position on the Advisory Board at Wilson Centre at the Annual General Meeting on Wednesday 12th October 2016

Unfortunately I do not think I will be able to be attend this meeting for elections as I will be out of town.

If I am elected I will do my best to be an asset to the Advisory Board and the Wilson Centre.
